## CLASSIFICATION OF DOCUMENT

Memorandum to Brig. Gen. Edwin L. Sibert, through Executive to the Director, from Donald H. Galloway, Acting Assistant Director, Special Operations; 2 pp.

## NOTATION REFERENCES

The memorandum concerns the security of the Office of Special Operations. It mentions a survey in process from which recommendations concerning security will be made. Various motives for leakage have been taken into consideration. Stringent personnel requirements and investigations will best combat leakage to foreign agents, and frame-up possibilities by press and federal agencies. The FBI conducts personnel investigations and the Security Division of SO is constantly alert for disaffections. OSO already employs former FBI personnel to supervise its physical security and it is therefore regarded as unnecessary to hire FBI for that purpose.
